WILLYS-OVERLAND, INC. WANTS

to establish a sales and service agency in this community

WILLYS-OVERLAND, INC., is the only manufacturer that produces two of the eight most popular cars in the world—the Overland—the Willys-Knight.

COMPARISON with other cars in the same price class as to materials, construction, riding qualities and economy of operation is but further evidence of the reason why there is such a demand for Overland and Willys-Knight cars.

75% of all automobiles sold today are of but three different makes! Overland is one of them. 90% of all automobiles sold today are of eight different makes! The Willys-Knight is another of them.

WILLYS-OVERLAND, Inc., is the only manufacturer which, in the Overland and Willys-Knight, produces two out of the eight most popular cars in the world.

WE invite comparison with other cars in the same price classes as to materials, construction, riding qualities and economy of operation.

INVESTIGATE the used car market and you will discover that used Overlands of present design move at good prices and Willys-Knight cars are rare among used car stocks.

UNLESS you are familiar with the splendid performance records of the present-day Overland and Willys-Knight, you cannot fully appreciate the reason for the public preference for these two cars.

AND at their new prices, they offer sales possibilities greater than ever before in their history.

IF you have or can command the facilities to establish a high-grade repair shop and local sales organization write
